

# PCEC - Vehicle Holding Area and Loading Docks

## Key

Vehicle holding area to loading dock

Direct access routes to loading dock (if holding area is not required)

Traffic lights

## ACCESS ROUTES TO VEHICLE HOLDING AREA AND LOADING DOCK

### VIA SPRING STREET

At the bottom of Spring St turn right at the traffic lights onto Mounts Bay Rd. Once you are past the intersection turn left into the Vehicle Holding Area.

### VIA PLAZA

Exiting the plaza turn left onto Mounts Bay Rd. Turn left at intersection to access loading dock.

### VIA FREEWAY SOUTH

Take the Mounts Bay Rd exit. Turn right into Mounts Bay Rd, stay in the right hand lane. Approx 10 metres before the Spring St lights turn right into the vehicle holding area.

### VIA FREEWAY NORTH

Take the Mounts Bay Rd exit. Turn left at Mounts Bay Rd then an immediate left into the vehicle holding area.

## VEHICLE HOLDING AREA TO LOADING DOCK

One-way exit onto Mounts Bay Rd. Once on Mounts Bay Rd continue through the first set of traffic lights positioned in the right hand lane. Approx 30 metres through the lights use the U Turn area to change direction on Mounts Bay Rd. Continue to the Spring St lights turn right and veer left to the loading dock gatehouse.
